Infertility and Fertility Services

This holding statement is applicable to inquiries related to large group employers who have questions about the upcoming regulatory changes related to SB 729.

Holding Statement

Sutter Health Plan will embed coverage for the diagnosis and treatment of infertility, and fertility services for all large group employers with new or renewing plans effective on or after July 1, 2025.

Sutter Health Plan will provide this coverage in accordance with the guidelines of the American Society for Reproductive Medicine (ASRM). This coverage will include a maximum of three (3) completed oocyte retrievals and unlimited embryo transfers.

Cost-sharing for covered services will be the standard cost-sharing applicable to the type of service (e.g., office visit, outpatient lab, etc.).
