1 Specific Procedures within Endodontic, Periodontic, and Oral Surgery benefits may pay at varying coinsurance levels. For detailed benefit information, please contact your sales representative to obtain a benefits summary for your plan(s).

"A" Plans promote affordability through class shifting of higher cost procedures utilized by less members while retaining routine procedures at traditional levels. As a result, coinsurance levels may differ between various endo, perio, and oral surgery procedures. For more details, speak to your representative and to request a detailed benefit summary.

Additional plan enhancements may be available. Please contact your UHC Specialty Benefits representative for availability and pricing on the following enhancements.

- FlexAppeal Max Multiplier: encourages preventive care by paying for those claims without deducting them from the annual maximum.
- FlexAppeal Enhanced: offers 3 major benefits -- any combination of 4 routine or periodontal cleanings, white fillings for back teeth and dental implants.

UnitedHealthcare applies SIC factors to rate calculations for our 2 to 50 small group segment. This will aid in providing your client with the most favorable and competitive dental rate based on their industry classification. Quotes provided from United eServices will have the appropriate factors automatically embedded in them.

The information below will help you determine if a SIC factor applies to your client. SIC codes not listed below are base rates (industry factor 1.0) and require no additional adjustments from the base rates on the preceding pages.

Table with 3 columns: Industry Category, SIC Code, and Industry Factor. Rows include Agriculture Production & Services, Mining, Construction, Manufacturing, Jewelry & Silverware Manufacturing, Transportation, Communication, Electric, Gas, & Sanitary Services, Wholesale Trade - Durable and Nondurable Goods, Building Materials, Hardware, Garden Supply, and Mobile Home Dealers, Automotive Dealers and Gasoline Service Stations, Eating and Drinking Places, Depository & Non-depository Institutions, Other Finance, Insurance, & Real Estate, Miscellaneous Services, Beauty Shops, Advertising, Jewelry Repair, & Health Services, Legal & Educational Services, Social Services, Museums/Gardens, Private Households, Services (NEC), Membership Organizations, Public Administration & Other, and All other (except as noted below)\*.

\* Dental Offices (SIC 8020, 8021) are ineligible for quoting. Please contact your UnitedHealthcare sales representative for more information.

Your UnitedHealthcare Sales Representative will supply you with a very simple Microsoft Excel-based tool to apply the SIC factor (if applicable) to your group's final rates. The output from this tool should be included with a copy of the rate card used when submitting your group's enrollment materials for installation. Please contact your UnitedHealthcare Sales representative for more information.

Fully Insured quotes: The Dental and/or Vision premium includes expenses related to state & federal taxes, fees, and assessments. It may also include additional new taxes, fees and assessments from the Affordable Care Act.

The rates and benefits provided are for general information and discussion purposes only and are not valid unless approved by UnitedHealthcare. This rate quote is not an offer or guarantee of coverage. The group should not, under any circumstances, cancel its existing coverage unless and until coverage is offered by UnitedHealthcare and final rates have been accepted by and initial premium paid by the group. Final rates are determined by UnitedHealthcare's underwriting guidelines and final enrollment. The insurance Policy, not general rates and descriptions on this rate sheet, will form the contract between the insured and UnitedHealthcare, and the Certificate of Coverage issued to the subscriber will provide the legal description of coverage.

Specialty benefits and programs may not be available in all states or for all group sizes. Components subject to change.
