

blue  of california

<https://www.blueshieldca.com/fap/app/find-a-doctor.html>

Step by Step Instructions

1. Select which type of provider to search. When searching for Hospitals, you would choose Facilities.
2. Select “Yes” or “No” to the questions “Are you a Blue Shield Member?” A member is already enrolled on the plan.
3. Enter the city and state, or the zip code, of the location to search.
4. If there is a group plan, click “Yes” and choose the plan type. See plan type names below. Otherwise, click “No” and “I Accept”.
5. If a group plan is selected, use the drop-downs to select the year you want your coverage to start, the plan type, and the specific subplan. Click “continue with this plan” to move to the search page.
6. Select “Doctor Type” or “Doctor Name” to search.
7. To print a directory, click “Save Results” right above the first provider’s name. Click the “Email” or “Download” preference below the “Save Results” title and click the blue oval “Download” button.
8. To choose a provider outside of CA, search the [Health Care Anywhere](#) website. Please note that if you select an HMO plan, only emergency services will be covered.

Plan Type:

Access: 2020 Small Business HMO Access+, then select the plan

Local Access: 2020 Small Business HMO Local Access+, then select the plan
