## COPAYMENT SUMMARY a uniform health plan benefit and coverage matrix

THIS MATRIX IS INTENDED TO BE USED TO HELP YOU COMPARE COVERAGE BENEFITS AND IS A SUMMARY ONLY. THE EVIDENCE OF COVERAGE/DISCLOSURE FORM AND PLAN CONTRACT SHOULD BE CONSULTED FOR A DETAILED DESCRIPTION OF COVERAGE BENEFITS AND LIMITATIONS.

### ANNUAL DEDUCTIBLES

The **medical deductible** is the amount of money a member or family must pay for certain covered services before WHA is responsible for those covered services. Each member enrolled as a family must meet the Individual with Family coverage amount or the Family coverage amount, whichever is met first. The **pharmacy deductible** amount is per member, even if enrolled as a family, and applies to covered medications. Once the deductible(s) are met, the relevant copayment(s) will apply. Amounts paid for non-covered services/medications do not count toward a member's deductibles. The deductible is waived for first three non-preventive specialty care visits.

### ANNUAL OUT-OF-POCKET MAXIMUM

member responsibility **Medical Deductible • AD = After Deductible**

\$5,800	Self-only coverage
\$5,800	Individual with Family coverage
\$11,600	Family coverage

**Prescription Deductible (Tiers 2 – 4) • AD Rx = After Prescription Deductible**

\$450	Self-only coverage
\$450	Individual with Family coverage
\$900	Family coverage

The **out-of-pocket maximum** is the most a member or family will pay in a calendar year for covered services/medications. Once the deductible and copayment costs reach the annual out-of-pocket maximum, WHA will cover 100% of the covered services/medications for the remainder of the calendar year. Amounts paid for non-covered services/medications do not count toward a member's out-of-pocket maximum.

### COVERED WITHOUT COST-SHARING — NOT SUBJECT TO DEDUCTIBLE

member responsibility **Out-of-Pocket Maximum**

\$9,800	Self-only coverage
\$9,800	Individual with Family coverage

## **PRESCRIPTION DRUG COVERAGE**

Covered Prescription medications included in a member's Prescription drug plan are categorized as Tier 1, 2, 3 or 4 in WHA's Preferred Drug List (PDL). A member's PDL can be requested by calling WHA Member Services or viewed online at [mywha.org/Rx](http://mywha.org/Rx).

NOTE: All medications included in the PDL are evaluated regularly for their efficacy, quality, safety, similar alternatives, and cost to ensure rational, cost-effective use of pharmaceutical agents. A drug's presence on the PDL does not guarantee that the member's Participating Provider will prescribe the drug. There are a small number of drugs, regardless of tier, that may require prior authorization to ensure appropriate use based on criteria set by WHA.

**Preventive medications, supplements and vaccines:** Aspirin, folic acid (including in prenatal vitamins), fluoride for preschool age children, tobacco cessation medication, contraceptives, and preventive vaccines, including those for flu and COVID-19, are covered without member cost-sharing; see Appendix A in your EOC/DF for a complete list. Generic required if available.

**MANAGING YOUR DEDUCTIBLE PLAN:** To review amounts applied to your annual deductible and out-of-pocket (OOP) maximum, simply access your accumulator at [mywha.org](http://mywha.org). If you have any questions about how much has been applied to your deductible or annual OOP maximum, or whether certain payments you have made apply to the OOP maximum, call WHA Member Services. Once you have satisfied your OOP maximum, you may request a written statement confirming that you do not have to pay any more copayment or deductible amounts for covered services through the end of the calendar year.
