**Exclusions and Limitations**

**Health benefits and health insurance plans are offered and/or underwritten by Aetna Health of California Inc. Each insurer has sole financial responsibility for its own products.**

This material is for information only. Health benefits plans contain exclusions and limitations.

Not all health services are covered. See plan documents for a complete description of benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by location and are subject to change.

You may be responsible for the health care provider's full charges for any non-covered services, including circumstances where you have exceeded a benefit limit contained in the plan. Providers are independent contractors and are not our agents. Provider participation may change without notice. We do not provide care or guarantee access to health services.

The following is a list of services and supplies that are *generally* not covered. However, your plan documents may contain exceptions to this list based on state mandates or the plan design or rider(s) purchased by your employer.

- All medical and hospital services not specifically covered in, or which are limited or excluded by your plan documents.
