

Dear CaliforniaChoice Group,

Thank you for your continued business. We wanted to make you aware of the following changes to our portfolio for Out-of-State employees, effective with your renewal date.

Beginning October 01, 2020, CaliforniaChoice, on behalf of Anthem Blue Cross (Anthem) will only offer its Prudent Buyer – Small Group PPO Network to Out-of-State employees. The Select PPO, Advantage PPO, and EPO networks will no longer be available to them.

If you currently have Out-of-State employees enrolled on a PPO or EPO plan that is not the Prudent Buyer – Small Group PPO Network, at your group's renewal, these employees will be required to select a Prudent Buyer – Small Group PPO Network plan to retain their coverage with Anthem in the CaliforniaChoice program.

A copy of this notice will be posted with your renewal on the Employers Renewal page at [www.calchoice.com](http://www.calchoice.com).

If you have questions, please contact your broker or CaliforniaChoice Customer Service at 1-800-558-8003.

Sincerely,

CaliforniaChoice
