**IMPORTANT NOTE:** AN EMPLOYEE MUST RESIDE IN THE HEALTH PLAN'S SERVICE AREA TO BE ELIGIBLE FOR COVERAGE BY THAT HEALTH PLAN. RATING IS BASED ON THE EMPLOYER ZIP CODE/COUNTY.

County and ZIP Code rating areas may be found on the "County Service/Rate Area Index" and "ZIP Code/Service Detail by Rating Area" pages.

## **INSTRUCTIONS:**

**1)** Use the Employee's resident ZIP Code/County to determine service area availability by referencing the "County Service/Rate Area Index" table and the "ZIP Code/Service Detail by Rating Area" for each Employee. Go to the correct area table to determine the health plans that offer services in the Employee's resident ZIP Code/County.

**2)** Use the Employer ZIP Code/County to determine the correct rate/service area table. Go to the correct rate/service area table to calculate the rates for each health plan available to the Employee.

**3)** Use the Employee's age and age of each dependent to determine the rate for each of them.

**4)** If the Employee has more than three (3) dependent children under the age of 21, premium rates are only charged for the three (3) oldest dependents under the age of 21.

4a) If the Employee has dependent children ages 21-25, premium rates are charges for each dependent based on age of dependent.

4b) Add the rates for the Employee and each applicable dependent to determine the total premium (example: (EE premium + premium for 3 oldest dependents age 0-20 + premium for

each dependent age 21-25 = total premium).
