The undersigned employer and/or authorized representative(s) hereby request(s) that it be approved for insurance coverage issued by Anthem. Employer understands and represents, by way of its authorized representatives, that to the best knowledge and belief the entire application for Group Insurance has been reviewed, all answers contained herein are true and complete, and agrees:

1. The employer must maintain records and furnish to Anthem or their designated agent(s), and information required in connection with administration of the coverage. Original source documents, including but limited to employee/member enrollment documentation, shall be made available upon Anthem’s request.
2. The requested coverage is not in effect until this application is approved by Anthem, the insurer; that approval of coverage shall be evidenced by issuing insurance contracts and/or policies to the employer; and an employee’s coverage is not in effect unless and until the employee application is approved for coverage by the insurer. The employer must meet the minimum enrollment, participation and eligibility requirements according to the applicable Anthem underwriting policies and Nevada state law.
3. For the insurer to accept this application, all the information requested on this application must be completed. If the application is not complete, the insurer or their designated agent(s) are authorized to obtain the necessary information and to complete that information on this application. The employer understands that the coverage issued by the insurer may be different from the coverage applied for herein. If the insurer notifies the employer of such different coverage, and the employer pays the appropriate premium, the employer will be deemed to have accepted the coverage as issued.
4. To comply with all terms and provisions of the Group Contract(s) issued, and trust agreements, if applicable;
5. To make the insurance coverage available to all eligible employees and their eligible dependents and to distribute information and documents to enrolled employees as needed;
6. To maintain records and furnish to company or their designated agent(s), any information required in connection with administration of the insurance coverage;
7. That approval for this insurance may cancel any prior contracts and/or coverage with Company effective immediately preceding the effective date of the employer’s coverage;
8. To pay Company by the premium due date, the premiums on behalf of each member covered under the contract, unless otherwise stated in any financial agreement between the parties, to submit applications of employees prior to their date of eligibility, to keep all necessary records regarding membership;
9. That claims filed by or on behalf of members may, at Company’s option, be suspended if premiums are not received timely;
10. The employer will receive, on behalf of members, all notices delivered by Company, and immediately forward such notices to persons involved, at their last known address;
11. The advance premium check does not create temporary or interim insurance coverage and that receipt and deposit of that payment does not guarantee issuance of insurance coverage. Issuance of insurance coverage will occur so long all required information is provided, payment is timely made, and no conditions under N.R.S. Section 689C.310(2) apply. Unless these Conditions are met, there shall be no liability on the part of Company, except to refund the payment. The employer will be responsible for returning to individual employees any part of the payment contributed by those employees;
12. That in order for Company to accept or decline this application, all the information requested on this application must be completed. In the event the application is not complete, Company, or its designated agent(s), is authorized to obtain the necessary information and to complete that information on this application. The employer understands that the coverage issued by Company may be different than the coverage applied for herein. In that event, Company shall notify the employer of such differences, and by payment of the appropriate premiums, the employer will accept the coverage as issued;

13. The premium rates calculated for the employer are contingent, based upon the accuracy of the eligibility data submitted on employees and covered dependents to Company by the employer. Company reserves the right to review such rates upon receipt of all individual applications and modify the rates, if the enrollment information so warrants. Any misstatements on employees' applications or failure to report new medical information prior to the employees' effective dates may result in a material change to the group's coverage or premium rate as of the effective date of coverage;
14. All employees applying for coverage are employees of the employer, receive salary or wages documented on state and/or federal payroll reports, work full-time (unless otherwise approved by Company in writing) and meet any other eligibility requirements for coverage;
15. That an employee not actively at work on the policy effective date or the employee's eligibility date will not be covered until such employee returns to active work.
16. The requested coverage is not in effect unless and until this application is approved by Company, that approval of coverage shall be evidenced by issuing insurance contracts and/or policies to the employer, and an employee's coverage is not in effect unless and until the employee applies and is approved for coverage by Company.
17. By initialing below, I, the employer, agree that Anthem can deliver plan materials and related items, including but not limited to benefit booklets, summaries, billing statements, notices of non-payment and cancellation and other notices, via email or other electronic means. I agree that I will provide and update Anthem with a current email address. I understand that at any time I can request a free copy of these materials by mail or by contacting Anthem at 1-800-922-4770. I also agree that by providing Anthem with an employee or participant's email address, the employer thereby represents that: (1) the employer has the employee's consent to receive plan documents (including explanation of benefits and claim denials) electronically; (2) the employee has reasonable access to the electronic communication at work; and (3) the employer obtained the employee consent using Anthem's application form or in a manner that clearly and conspicuously described the types of communications which can be made electronically, any hardware or software required to access those communications, the ability and process to change email addresses or withdraw consent and request a paper copy or otherwise in a manner that complies with applicable state and federal law regarding electronic delivery of plan materials and adverse benefit determinations.
