An ACEC Life/Health Trust Member Firm

**Mark Van Elden**  
President & CEO

Since 1965, the ACEC Life/Health Trust has been providing exclusive, high quality employee benefits to ACEC Member Firms. Although we serve firms of all sizes, we take particular pride in offering small firms the products and service generally only available to large firms. We take a long term approach to employee benefits by striving for consistency and predictably. The results speak for themselves: We've been in business for over 50 years and we're proud to say we have a 90 percent annual retention rate.

Sincerely,
