

# Important changes for 2025 Nevada ACA plans

Compare existing ACA plans with new codes and names for 2025

Having the most up-to-date information is crucial for your business. Below is a list of our existing 2024 plans matched up to the 2025 plans and the new internal contract codes used to identify them, effective January 1, 2025.

You'll see 2024 plans that are no longer available in 2025 with a suggested alternative plan. Choice EPO plans are being mapped to Choice PPO plans.
